

World Cup 2014 Content Services

About

Touch-Line's flexible, white-label World Cup pages will be tailored to your specification and seamlessly integrated within your platform.

Live Feeds & Hosted Solutions

Our Brazil 2014 content covers every team and player throughout the tournament and from the Qualifiers across all confederations.

We will deliver a complete World Cup package with fixtures, detailed player information, live scores and group tables as well as historical statistics and a range of optional extras such as pictures, editorial and match commentary.

The service is available in any format for any platform - as an embedded, hosted solution or via XML.

Sample Screens

TOURNAMENT		Select Group ▼
